Delicious Crockpot Recipes

A Full Colour Crockpot Cookbook for your Slow Cooker

Do you love delicious, mouth-watering professionally designed crockpot recipes?
Would you like seeing the recipes you are about to cooked in full colour?

Then...

You are probably tired of books with hundred of recipes, difficult to follow, with no pictures at all or low quality images?

Annoyed by the poor quality of the recipes some of the recent slow cooker books are offering?

Are you after something genially new, something that make you wish you would be in your kitchen to start cooking right away?

>>Delicious crockpot recipes is offering what almost no other books in the market are displaying<<

- A full page colour 8.5x11 picture for every recipe.
- Perfectly cooked recipes purposely made to get the highest quality picture result to help you achieve the most beautifully made dishes.
- Completely new recipes, designed form scratch by full-time experienced chefs.
- Full description of numbers of serves per recipe, amount of calories per serve and difficulty.
- An introduction for every recipe that will make you long for the day you finally cook it.
- A step by step, detailed and as long as required description (not just cut and dump style)
- The best cooking tips at the end of each recipe to allow you find the best tricks to finalize it successfully.
